

CONSENT AND RELEASE

I, _____, EFFECTIVE THIS _____ DAY OF _____, 20____, ACKNOWLEDGE AND AGREE WITH HER MAJESTY THE QUEEN IN RIGHT OF THE PROVINCE OF BRITISH COLUMBIA, represented by the Minister of _____, or successor representatives, (the "Province"), in consideration of the opportunity for me to participate in the Recordings described below and for other good and valuable consideration (the receipt and sufficiency of which I acknowledge), **AS FOLLOWS:**

1. I AM ENTITLED TO ENTER INTO THIS AGREEMENT, WHICH WILL APPLY TO ALL RECORDINGS IN WHICH MY IMAGE APPEARS, AND THESE RECORDINGS MAY OR MAY NOT BE USED BY THE PROVINCE IN WHOLE OR IN PART.

I acknowledge that the Province desires from time to time to use photographs, audio recordings, video recordings, digital images, sketches, notes, written extractions and other forms of recording (collectively, "Recordings") that capture my image, likeness, voice, performance, opinions, name or related personal information (or any or all of these) (collectively, "Image"). This Agreement shall apply to all Recordings, and my Image as it appears in all Recordings, made available to the Province, whether such Recordings have been made or taken: a) by any representative of the Province including any past, present or future employee, appointee, advisor, officer, agent, volunteer, contractor, subcontractor, successor, licensee or assignee of the Province (each, a "Representative"); or b) by me or any other person and submitted by me or any other person on my behalf, and therefore with my consent, to the Province or a Representative. I further acknowledge and agree that the Province and its Representatives may, but are under no obligation to, make any Use of the Recordings, in whole or in part. I represent and warrant that this Agreement does not in any way conflict with any existing commitment on my part with respect to the Use or capture of my Image in any Recordings.

2. MY IMAGE MAY BE USED AND DISCLOSED FOR BROAD PURPOSES AND THE RECORDINGS USED IN ANY MANNER.

Unless otherwise agreed in writing, I unconditionally and perpetually consent, authorize and grant to the Province and its Representatives all necessary authority, right and license throughout the World, and in their sole discretion, to: a) store and Use my Image as it is captured in the Recordings; and b) Use the Recordings without limitation or restriction. For the purposes of this Agreement, "Use" or "Used" means: a) both commercial and non-commercial use and unlimited disclosure of and access to my Image for public relations, public promotion, advertising, marketing, educational and editorial purposes; b) unlimited use or exploitation of the Recordings for any internal or external purpose, including for public relations, public promotion, advertising, marketing, educational, editorial or any and all other commercial or non-commercial purposes whatsoever, and further includes the right to print, reproduce, copy, distribute, sell, loan, exhibit, display, publish, broadcast or communicate the Recordings in all forms, media and technologies now known or hereafter developed, including via the Internet; and c) the right to alter, change or modify my Image and/or the Recordings or to combine or incorporate all or any parts of my Image and/or the Recordings into other works, create derivative works from my Image and/or the Recordings and the right to use my Image and/or the Recordings alone or in combination with other persons or images, including with the marks and branding of the Province or its Representatives.

3. I DO NOT OWN THE RECORDINGS MADE BY/FOR THE PROVINCE, OR MY IMAGE AS IT APPEARS IN ANY RECORDINGS.

I confirm that, as between myself and the Province, the Province owns and will retain all right, title and interest throughout the World in and to all Recordings made or taken by it or any of its Representatives, as well as my Image as it appears in any Recordings. I hereby irrevocably and unconditionally assign and grant to the Province all assignable right, title and interest and waive in favour of the Province all non-transferable rights and interests, including any "moral rights", that I have or may acquire (including personality and publicity rights) in Recordings made or taken by the Province or any of its Representatives, and my Image as it is captured or Used in any Recordings. The Province may license or assign its rights in the Recordings to third parties and I agree that, in such event, the preceding sentence will extend to all such parties and their assignees and licensees.

4. I AM NOT ENTITLED TO RECEIVE ANY PAYMENT FOR THE USE OF THE RECORDINGS OR THE USE OF MY IMAGE IN THE RECORDINGS, AND MY NAME MAY OR MAY NOT BE DISCLOSED IN ASSOCIATION WITH THE RECORDINGS.

Unless otherwise expressly agreed to in writing in advance, no royalties, fees or other form of payment or compensation whatsoever will be provided to me for or in connection with this Agreement or any current or future Use of my Image or the Recordings. The Province and its Representatives may, but are not obligated to, in their discretion, disclose my name in connection with their Use of the Recordings or my Image as it is captured in the Recordings.

5. I AM GIVING UP MY RIGHT TO SUE, AND I HAVE NO RIGHT TO APPROVE THE USE OF MY IMAGE OR THE RECORDINGS.

I hereby waive my rights and release and agree to hold harmless the Province and all of its Representatives from any and all claims of any nature whatsoever which I may now or in the future have against any or all of them by reason of any fact or matter in any way relating to or arising from their ownership or Use of my Image or the Recordings, or otherwise relating to the subject matter of this Agreement. I hereby waive any right that I may have to approve, at any time, the manner of Use of the Recordings or the Use or appearance of my Image as it is captured in the Recordings.

6. NO OTHER AGREEMENT IMPACTS THIS AGREEMENT; ALL CHANGES MUST BE AGREED IN WRITING; BC LAW APPLIES.

This Agreement is the entire agreement between the parties relating to the subject matter of this Agreement and any modification must be in writing and signed by the Province. This Agreement will be governed by the laws of British Columbia and the laws of Canada applicable therein and the courts of British Columbia sitting in Victoria will have exclusive jurisdiction over any dispute arising from or relating to this Agreement or its subject matter.

BY SIGNING BELOW I CONFIRM THAT I HAVE READ, UNDERSTOOD AND AGREE TO THE TERMS AND CONDITIONS OF THIS AGREEMENT AND THAT IT IS MY INTENTION TO ENTER INTO AN AGREEMENT TO WAIVE MY RIGHTS, INCLUDING MY RIGHT TO SUE, WITH RESPECT TO THE USE OF THE RECORDINGS AND MY IMAGE AS CAPTURED IN THE RECORDINGS.

In the event that the Image is that of a person under the age of 19 years, whose name is _____ (the "Minor"), I represent and warrant that I have the authority to, and I do hereby, agree for and on behalf of the Minor, as well as myself, to all of the terms and conditions contained in this Agreement.

Arriving at Youth Innovation Day

Registration:

All students attending Youth Innovation Day will be pre-registered through their school groups. When arriving, please have the lead chaperone check into the Registration Desk located on the Exhibition Level to sign-in and pick-up their respective group badge package. Chaperones will be responsible for distributing wristbands to their students at an area away from the registration desk. These wristbands/badges must be worn at all times throughout the #BCTECH Summit.

Transit:

The Vancouver Convention Centre is easily accessible By Skytrain via the Canada Line and Expo Line. The nearest train station is "Waterfront Station". Upon exiting the station head west along West Cordova until you arrive at the venue on the right-side, facing the water.

Bus Drop-Off is located off Cordova Street using the ramp to Waterfront Road:

For groups traveling by bus, please access the West truck route located on Waterfront Road. Buses will use this access to travel underground and drop-off / pick-up students from the Exhibition Level entrance.

Maps and additional directions can be sent directly. For more information please email youth@bctechsummit.ca.

Parking:

The Vancouver Convention Centre offers secure parking through independent operators within both buildings. They operate 24 hours per day, 7 days a week on a first-come-first-serve basis. To access parking, enter off of Canada Place, half a block west of the Burrard Street intersection on the right-hand side. Please note: The West building has 440 stalls and is operated by Impark. To reach Impark, please call +1-866-277-5501.

Live in the Lower mainland or arriving early? Join us Monday for #BCTECH on the Terrace

Monday, May 14th from 5 – 8pm anyone, of any age can join us on for #BCTECH on the Terrace which will feature live music, e-vehicles, science fair projects and fun activities with Science World, and more. It's free and you are all welcome – no registration required!

Tell Us Your Stories

We are moving the needle, from STEM to STEAM, adding art into the mix. Please have any of your students share their stories with us through digital art or video which we will collect and use in lead-up and on-site #BCTECH Summit activities. **Submission deadline is May 4th, 2018.**

In either medium, be sure they **include name, grade, school and city/town.**

- **Digital art** single images can be emailed to youth@bctechsummit and should depict what they envision our technically enabled world will look like in the next decade.
- **Video.** This can be individual, class or group. Please use the Storytap platform.

Get Involved

Bring your used batteries to the #BCTECH Summit and help save a child's life

Zinc deficiency affects 1.2 billion people worldwide and contributes to the death of 250,000 children every year. One AA battery contains the same amount of zinc that can save the lives of six children. You can help! Bring your used batteries to the #BCTECH Summit and Teck will donate the value of zinc it contains to WE in support of zinc and health programs in Kenya.

Learn more at www.zincsavestives.com.

Science World!

All attendees of the Summit can show their wristband (youth) or badge/lanyard (adults) for complimentary access provided by Science World. If you are planning to bring your class to attend as a group on May 15th before you receive your Summit packages, please let us know so we can arrange access this day for your group. youth@bctechsummit.ca

TEACHERS – Just for you and New this Year – a Solution Room Experience for the Teachers

Wednesday from 115pm to 230pm

This year while the students are hearing from the presenters right after lunch, we have a session for YOU. (the sessions you miss will be available on demand following the Summit). This session is your opportunity to join other teachers from around the province for a facilitated session which provides time to voice your challenges and successes as curriculum is developed to meet the future skills challenge, and learn from each other. We will encourage you to capture these ideas and leave them with the facilitators to take away to build out learnings that come from this which you will have access to.

SESSION RSVP As we would like to get a sense of the numbers for this session, we ask you to RSVP via email at youth@bctechsummit.ca before April 27th, 2018.

Mobile App

The Youth will have their own mobile app providing information about the day which can be downloaded approximately one week before the event. Final details will be sent to you then.

Live Stream

We do have a limit on attendance, and for this reason we will live stream the sessions in both the morning and afternoon for others to learn from. The link will be available on the main website <http://bctechsummit.ca> when the Summit is active.

FAQ aka Frequently Asked Questions

WHAT ARE THE STUDENTS GOING TO TAKE AWAY FROM YOUTH INNOVATION DAY 2018 AT THE #BCTECH SUMMIT?

The objective of this program is to engage science and technology oriented students and expand their comprehension of the breadth of technology careers. The students will come away from this program with a better understanding of the technology industry through youth-focused conference sessions; be inspired by winning Science Fair projects, meet mentors from leading B.C. tech companies, and connect with post-secondary recruiters and researchers.

The students will get the opportunity to interact with industry professionals, post-secondary schools and listen to speakers such as Premier John Horgan, Karina Leblanc (Retired Canadian Goalkeeper, UNICEF Ambassador), Brent Bushnell (CEO and Co-Founder Two Bit Circus), David Katz (Founder and CEO Plastic Bank), and innovative leaders in the local technology industry. This event is also a great opportunity for students to get to know other youth interested in similar subjects as them!

WHO ARE THE SPONSORS SUPPORTING THE 2018 #BCTECH SUMMIT?

WorkBC is the official sponsor of Youth Innovation Day and Teck is sponsoring lunch. However, the #BCTECH Summit overall is supported thanks to Microsoft, Google Cloud, TELUS, Vanbex and more!

All sponsors can be found on the #BCTECH Summit website, found here: <https://bctechsummit.ca/sponsors/>

HOW MANY STUDENTS WILL BE ATTENDING THE #BCTECH SUMMIT YID?

This year we are anticipating approximately 2,300 grade 10-12 high school students in attendance at Youth Innovation Day. The students will be travelling from all over British Columbia, so it will be a great opportunity for the students to interact with like-minded individuals.

IS LUNCH PROVIDED?

Lunch is provided for students and chaperones participating at the #BCTECH Summit Youth Innovation Day.

WHAT DOES LUNCH ENTAIL?

Students will have be given a boxed lunch which includes a sandwich, salad and cookie. There will be sandwich options of meat, vegetarian, vegan and gluten free.

If a student or chaperone needs any specific food requirements, please email youth@bctechsummit.ca by Friday, May 4th, 2018.

ARE FOOD AND DRINKS AVAILABLE?

The #BCTECH Summit Youth Innovation Day supplies lunch, and a morning and afternoon snack. There will also be water stations available throughout the Vancouver Convention Centre and we encourage students to bring their own refillable water bottle. (NO bottled water provided).

EAT BREAKFAST. It is recommended that students eat breakfast before attending the Summit. If the student group is travelling from out of town, we suggest the students budget for purchasing dinner after the Youth Innovation Day concludes as it ends before 330pm.

WHAT IS THE PROCEDURE WITH ALLERGIES?

If a student or chaperone needs any specific food requirements please email youth@bctechsummit.ca directly by Friday, April 27th 2018.

ARE THERE ANY TRAVEL DISCOUNTS TO ATTEND YOUTH INNOVATION DAY?

Travel discounts are available for student groups wishing to attend Youth Innovation Day. There are discounts available for accommodations, airfare and ferries, as per below:

- 20% off airfare thanks to Air Canada, the Official Canadian Airline for the #BCTECH Summit
- 50% off student fares through BC Ferries for groups traveling together
- \$30 per person room rates through UBC Housing (and UBC tours can be coordinated!)

Interested parties should contact vbailey@inventaworld.com to inquire.

ARE THERE ANY ORGANIZED ACTIVITIES FOR THOSE GROUPS OUTSIDE OF THE #BCTECH SUMMIT YOUTH INNOVATION DAY?

Yes, Youth groups who are attending Youth Innovation Day will have complimentary access to Science World with their #BCTECH Summit lanyard/badge for the days following the event. If your group wishes to attend Science World in advance of Youth Innovation Day on either Monday, May 14th or Tuesday, May 15th please email youth@bctechsummit.ca.

If groups would like to participate in a UBC Tour while in Vancouver, please contact Vanna Bailey at vbailey@inventaworld.com and she will organize a time.

Need more ideas? The #BCTECH Summit has proudly partnered with Tourism Vancouver to provide attendees with special offers and discounts at dozens of local attractions and restaurants. See their [website](#) to learn more.

WHAT ARE THE CHAPERONES ROLES AND RESPONSIBILITIES AT YOUTH INNOVATION DAY?

Chaperones are responsible for the safe transportation of students to and from the event. They will also be responsible for the students at the event. There will be a tour guide who will support the students and chaperones; however, the chaperones will be the main person responsible during #BCTECH Summit Youth Innovation Day.

Chaperones are welcome to sit in on all event activities with the students. Their responsibility is to ensure that the students are present and accounted for during the event. As well, if there are any escalations regarding behaviour, this would be raised to the chaperone to assist.

IS THE VANCOUVER CONVENTION CENTRE WHEELCHAIR ACCESSIBLE?

The Vancouver Convention Centre make it their priority to meet all our guests' needs, including providing an accessible environment for guests with disabilities. They offer wheelchair services, ramps, accessible elevators, and TTY-payphones in both buildings. They also have accessible restroom stalls and amenities, as well as family restrooms that accommodate guests with special requirements and their attendant or families with young children.
